

"Welcome to Howell Property & Investments"

Our Properties Developments & Investments

At Howell Property & Investments, we're redefining what it means to build and invest in the future. Based in the UK, our mission is simply to identify, transform and elevate properties that deliver lasting value for investors, residents and communities alike.

We specialise in residential and mixed-use developments, combining insight-driven investment strategies with hands-on project delivery. From buy-to-let homes and refurbishment projects to land acquisitions and commercial developments, every Howell project is guided by precision, integrity and a commitment to sustainable growth.

Our approach blends experience and innovation sourcing high-potential assets, managing every stage of development and ensuring compliance with the highest standards. The result is a portfolio of modern, energy-efficient properties that stand the test of time.

Driven by our vision "Building & Investing Tomorrow's Today," we don't just create spaces we create opportunities. At Howell Property & Investments, every project is a step toward a smarter, greener and more prosperous future.."

Founder Khadine Howell

Let us Introduce Ourselves!

We are Howell Property & Investments, a UK-based property development and investment company built on trust, vision, and excellence. Our passion lies in creating spaces that inspire transforming land and properties into thriving communities and profitable investments, a place to call home.

With years of combined experience in construction, project delivery and financial management, our team brings together the precision of engineering with the foresight of investment strategy. Every project we undertake reflects our commitment to quality craftsmanship, sustainable design and long-term valued investment.

HOWELL
PROPERTY & INVESTMENTS

At Howell, we don't just build homes we build futures. Guided by our philosophy "Building & Investing Tomorrow's Today," we focus on developments that stand the test of time, delivering both lifestyle and legacy.

Materials and Our People

Materials

We source only premium, sustainable materials from high-grade brick and steel to energy-efficient insulation and glazing. Our developments combine traditional British craftsmanship with modern technology, ensuring durability, comfort and environmental responsibility.

Our People

Behind every Howell project is a team of dedicated professionals architects, engineers, project managers and skilled tradespeople all working together with pride and precision. Many of our partners have decades of experience in UK property development and share our vision for creating spaces that enrich lives and communities.

Looking for a Place to Call Home

We work across a diverse range of property types:

Residential Buy-to-Let Homes >>>

Carefully selected in growth areas with strong rental demand, offering stable income and long-term capital appreciation.

Refurbishment & Uplift Projects >>>

From cosmetic improvements to full modernisation, we enhance outdated properties to increase market value, energy efficiency and rental yield.
